SUMMARY

Passionate junior software engineer eager to offer innovative problem-solving, collaboration, and continuous growth.

WORK EXPERIENCE

Dukatech Solutions | 2023 - 2024

Frontend Developer

Led a team in developing a responsive React.js website for ShopOkoa, advancing its mission to bridge the \$5.2T SME credit gap. The platform enhanced SME access to affordable credit solutions across Africa, resulting in a 40% increase in ShopOkoa's visibility.

WizGlobal Limited | June 2025 - Sept 2025

Software Developer Intern

Enhanced backend performance using Laravel and PostgreSQL by collaborating with the fintech team to improve features and refactor code. Reducing system downtime by 20% and boosting overall platform stability.

EDUCATION

KamiLimu | March 2025 - Present

Mentee

Chosen among 40 university students countrywide for a selective mentorship program advancing technical expertise, professional growth, and industry readiness.

Kenyatta University | 2022-Present

Student | Bachelor of Science(Computer Science)

Currently pursuing studies in programming, algorithms, databases and system design. Building strong theoretical and practical computing skills.

Cisco Networking Academy | Jun 2023-Sept 2023

Student

Completed CCNA 1 & 2 with hands-on experience in configuring networks, troubleshooting connectivity issues, and implementing routing and switching solutions.

SKILLS

Frontend: Html, Css, Javascript, Reactjs

Backend: Laravel, Node.js

Database: PostgreSQL, MySQL, SQLite

Soft Skills: Teamwork, Communication, Adaptability, Leadership
